2 Orders of the Govt. referred to in the o.m. dt. 8-10-54 have been issued to the effect that the G.R. No PLO 1354 dt. 12-7-54 is applicable to roads in charge of P.W.D. including roads handed over by their Dept. to the D.L.Bs. for maintenance. It is not known whether the diversion road outside Torga in respect of which the Collr. has asked to disforest the area falls in the above category. The Collr. may be asked to clarify this. The Collr. has then stated that as the matter was immediate, construction work was taken up in anticipation of Govt. sanction for disforestation. It is presumed that the construction work has already been completed and that the area now vest with the D.L.B. Belgaur. This may also be got confirmed. The letter put up may issue.
